Presenting UNION
I N F O R M A L

SCHOOL BEGINS

Matriculation, introductions, invitations, books, ceaseless chatter—and another school year begins.

MEET OLD FRIENDS AND NEW FRIENDS

HISTORIC OLD BARTON

FIRST NIGHT IN THE DORMS

LOVELACE HALL

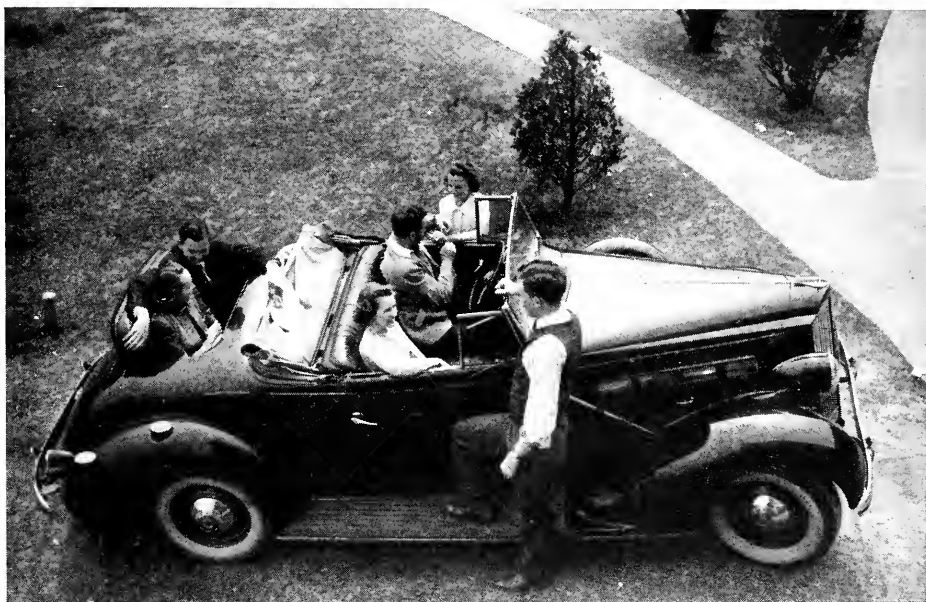

Comparable to ships without rudders would be Union without her two greatest guiding forces: President Hurt and Dean Sargent. Both sympathetic and just, wise and kind, conscientious, loyal, and intelligent; wholeheartedly "for" and "of" Union; at all times striving for the purest

and noblest in behalf of the institution they love —Union's guiding lives! Yet, with all these admirable qualities both are typically human and, like all mortals, have an eccentric habit or two: Proof: Dr. Hurt's magazine; Dean Sargent's rhyming announcements in chapel.

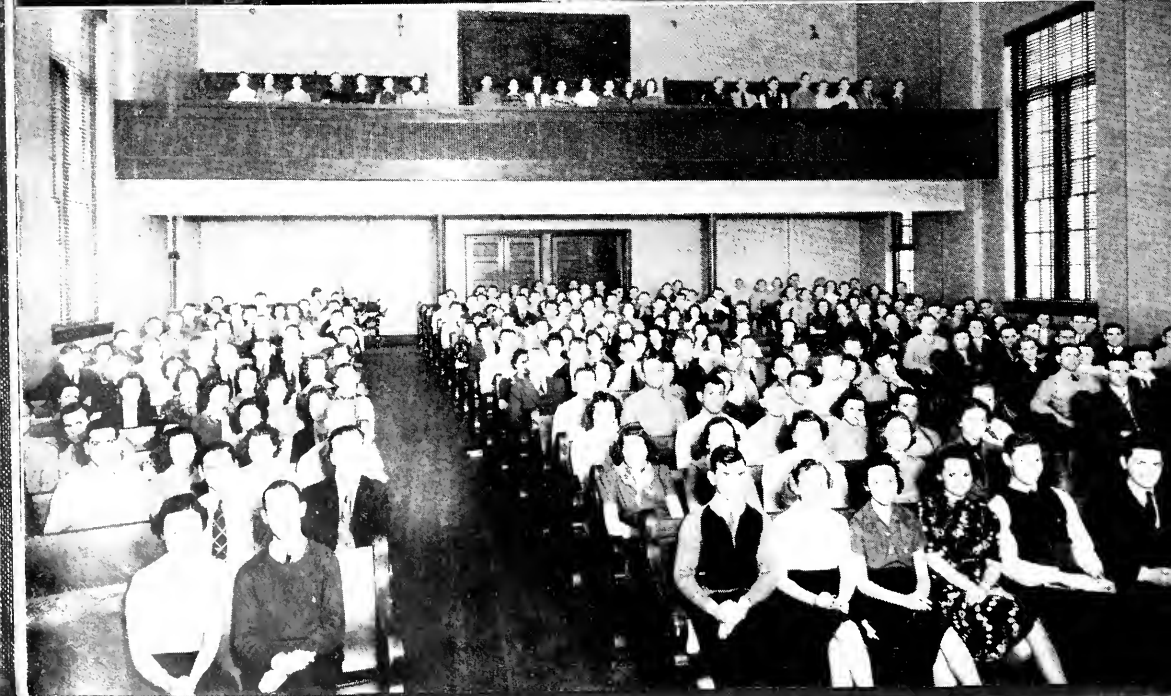

DR. HURT AND DEAN SARGENT

He who enters the stately portals of Union must well be aware of that time-honored saying, "All work and no play makes Jack a dull boy," or vice versa. Evidence of the fact that we work and we play is seen over the campus at all times of the day. Entering said portals, one gazes right, one gazes left. What does one see? Classrooms, full of bowed heads, busy fingers, or heads and eyes straight forward attempting to gather those bits of knowledge coming from the lips of learned professors—the Library where some fain would browse through dusty volumes? On to the Book Store and there they are—those who have nothing better to do than entertain themselves with a friendly chat and a "pause that refreshes." And to the open spaces! There a group is ready for the take-off in a campus auto to forget for awhile their more serious nature.

WE WORK AND WE PLAY

CHAPEL EVERY DAY

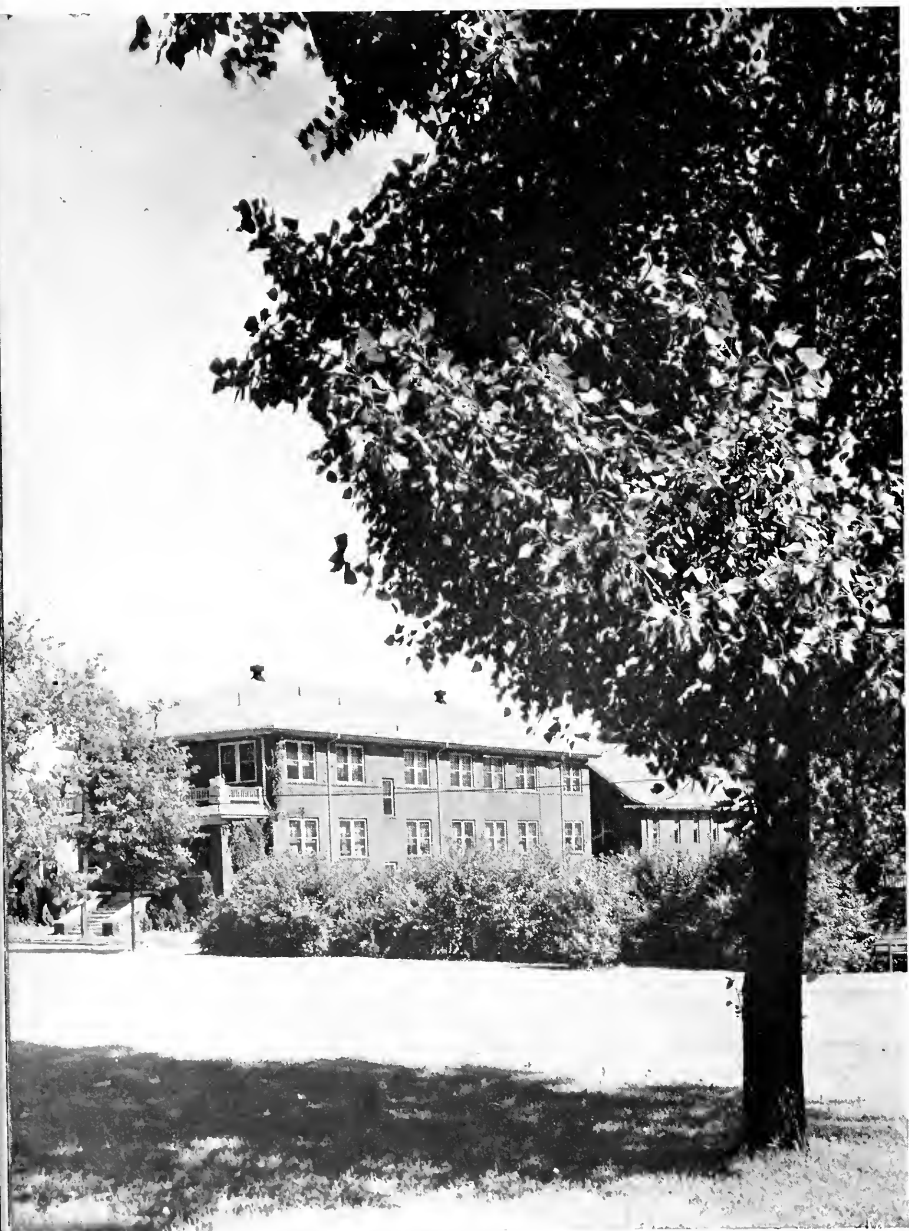

THE MAD SCRAMBLE OF RUSHING.

The mad scramble of rushing! The boys do it and the girls do it. The first day of matriculation is the worst. Onlookers observe this frantic struggle with perhaps just a tinge of disgust, but all participants happily float along and some are sorry, some glad when it is all over. You first push through to the Dean's office, then dash with great speed to the Bursar's office, only to stand in line for hours. But what could be more fun?

Then you stagger to the movies with someone you never saw before only to discover that by some miracle he knows Great Uncle Archie's half brother's third cousin—whereupon you become great friends. This is the time when first impressions are made and the first of very lasting friendships formed. Of all the interesting events of college life, these first two weeks of every year are the most outstanding in every way.

CROOK HALL . . .

DATING

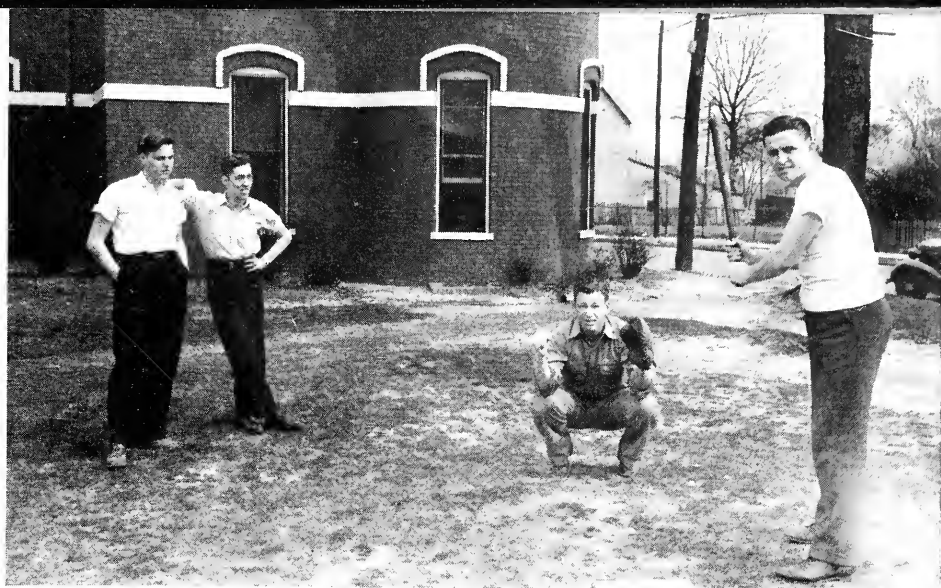

Old custom at Union University. The more scholarly observers have named it *Campusology*; on Friday and Sunday nights this ancient pastime assumes the dignified title of date. Some go to the picture show, and others just go . . . 'Tis a most delightful way to spend a vacant evening.

S O M E T I M E S W E S T U D Y . . .

A BIT OF CAMPUS FUN . . .

'Tis one of fun and frolic, ye ole Union campus. Varied are the activities which go to make that most popular course, *Campusology*. Now take baseball, there males participate heartily. And while you're taking, take bench-sitting. There's a sport for both males and females! There's skating for those possessing the vital factors of excess energy and a pair of skates. All for fun!

THE ART OF COOKERY

"Superfluity of culinary artists renders worthless the consomme." ("Too many cooks spoil the broth," to you less informed), may be a true and noble saying but not when they've been brought up under the very capable guidance of Miss Suella Susong, who, as Head of the Home Economics Department of Union, offers complete study for those interested in the preparation of food.

PUBLICITY DIRECTORS

In preparing this volume of the *LEST WE FORGET* for presentation to the Student Body, we have endeavored to present in picture and story a colorful reminder of college days.

The *Cardinal and Cream* has enjoyed a very successful year under the direction of Fred Cole, Editor, and Jack Glover, Business Manager. The editorials have been thought-provoking and the news, up-to-date.

The Publication Governing Board consists of Dean Sargent and the two English professors, Mrs. M. L. Hardin and Miss Onnie Skinner. Tommy Pierce, a Freshman, elected by the Sophomores; Franklin Keathley, a Sophomore, elected by the Juniors; Willard Huggins, a Junior, elected by the Seniors, are the student members of the board. The board nominates three students for the Editors-in-Chief and Business Managers of the *LEST WE FORGET* and the *Cardinal and Cream*. These names are submitted to the Publications Supervisory Committee for a pre-

scribed test and after examination of the tests the names are presented to the faculty for approval, after which the faculty recommends to the student body for election.

The members of the Student Council are elected by the Student Body. There are ten members: Four Seniors, three Juniors, two Sophomores, and one freshman. Those elected to the Council this year are Daniel Harrison, Orion Jane Price, Mildred Warren, Leland Wingo, Fred Cole, John Moss Fisher, May Guy, Rebecca Cobb, Hugh Howser, and Bibie Zelma Crittendon.

Alma Mater

*O Alma Mater, our affections cling to thee!
Faithful and loyal may we ever be.
May our Master's watchcare
O'er us one and all extend,
'Til again in Union
Heart and voice we blend.*

*Dear Alma Mater, bear thy offspring's plighted vow;
Firmer and truer may we be than now.
Memory fondly lingers,
Calling back departed days;
Every task grows lighter
As we sing thy praise.*

*Loved Alma Mater, o'er us shed scholastic light,
E'en as we wander from thy halls tonight;
And though years divide us,
And in distant lands we roam,
Oft in dreams we'll gather
'Round our "Home, Sweet Home."*

CHORUS:

*Union, dearest Union,
Yes, we'll sing thy spreading fame!
Union, dearest union,
Honored be thy name.*

—Words by FRANK KIMSEY, *Class of '22.*

Freshman Coach

V A R S I T Y F O O T B A L L

The coaching staff of the Bulldogs was under the leadership of Fred DeLay, head and backfield coach and basketball coach. Because he is really interested as much in boys and boys' lives as he is in putting out good teams, the head coach has well established himself in the favor of those whom he coaches. DeLay graduated from Murfreesboro State Teachers' College in the class of '26. He has coached football thirteen years, eleven in high school and two in college football.

Pete Craig, assistant and line coach, and a member of the class of '36, University of Tennessee, made his debut as a coach when he came to Union this year as a member of the coaching staff. He knows football, works hard, and consequently is well liked on Union's campus.

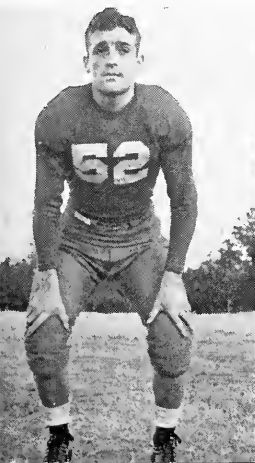

Trainers: WOOSLEY, MURPHY

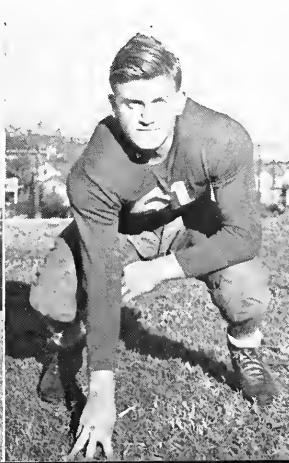

Harry Johnsey, himself a Union man and former Bulldog star, was in charge of the Freshman team. He needed no proving to become popular on the campus, but he is retaining his popularity by applying to his coaching Bulldog spirit typical of his playing days.

To the coaching staff, LEST WE FORGET expresses its gratitude for the work of the past, and proposes its sincere wishes for future success.

The Bulldogs went to Decatur, Alabama, to play the opening game of the 1938 season. There they defeated Alabama State Teachers College by a score of 6 to 0. In this game, Captain Bill Francis was put on the injured list with a twisted knee, adding to the three players already out because of appendicitis operations. The second game of the season was played at home with the Lynx of Southwestern. This was the first game played on Rothrock Field, the municipal stadium of Jack-

son which was completed this fall, and it proved disastrous to the Bulldogs, the score being 42 to 0 against them. The next game, played with Austin Peay Normal on Rothrock Field, was won by Union by a score of 19 to 0. For the fourth game of the season, the Bulldogs journeyed to Jackson, Mississippi, to meet the Millsaps eleven. The Bulldogs began this game with a lot of pep and drive, but scored only 12 points to their opponents' 0. The fifth game was played at home. The Union

eleven played enough good football to score 20 points to Cumberland University's 13. The sixth game was played in Mobile, Alabama. In this game the Bulldogs received several bad breaks, and, despite the efforts of Union to catch up with an early obtained lead, which efforts were almost successful but lacked just a little being hard enough, the Springhill Tigers were victorious with 14 points to Union's 7. The next game was the focus point of Union's Homecoming festivities, and it well de-

served being the center of attention. Under the handicap of numerous injuries in the line, the Bulldogs put up a game fight, never yielding, never letting up a moment during the entire game. In contradiction to the score, the game was well played by Union, as well as by their hardy opponents, the Thoroughbreds of Murray, who won the game by the score 30 to 0. The eighth game was perhaps the most exciting of the season, being played against West Tennessee Teachers College, the S. I. A. A.

Champions of the 1938 season. The game, played at Memphis, with a large group of Union students attending, was close and hard-fought from beginning to end, and time after time it seemed that the Bulldogs would push over one more touchdown and at least tie the game. The Bulldogs lost the game with 7 points to the Teachers 13. At Conway, Arkansas, the Bulldogs met a spirited, vigorous playing team which represented Hendrix College. Union's eleven did not seem to be able to get started, and lost the game, 6 to 0. The final and tenth game was played on Thanksgiving Day in Hattiesburg, Mississippi, against Hattiesburg State Teachers College. The game was a scrap from beginning to end, with

the Bulldogs losing by a 32 to 0 score.

And so ended the 1938 season for the Bulldogs. Ten games were played, of which four were won and six were lost. The schedule included games with the best and most outstanding clubs in the S. I. A. A. The team was necessarily composed of many sophomores, who had ability but lacked experience, and who promise to be the sturdy backbone of future teams. The squad has suffered many unfortunate injuries both on the practice field and on the gridiron. Here's to them, one and all, who have endured the toil of many gruelling practice sessions and the brunt of many shock-packed games for Union, and with the spirit of Union. Here's to them!

The West Tennessee Teachers defeated Union 13-7 in a bitter battle staged at Crump Stadium, Memphis. This scrimmage scene is a typical fall afternoon one, familiar to the entire campus and arousing in each student that old school spirit.

*"Our field is our own student body
our aim is its Spiritual Enlightenment."*

The Baptist Student Union is not a group of some students set apart from others on Union's campus. It is a unifying link binding each student to the other through Jesus Christ and so connecting the original home life and the church life with new contacts made on the college campus. The officers of the Baptist Student are elected by the student body and from the council, the functions of which are in the interest of all students in endeavoring to strengthen these connections and give him peace and security. Such an outlook on life and such a calm in his soul are greatest of all in preparation for progressive learning through the church—a thought uppermost in the minds of the council.

In January, Union's Baptist Student Union received its banner for First Magnitude, highest award for excellence and attainment. This is our third year in succession to reach this goal within the first few months of the school year. On this foundation this year's council hopes the Baptist Student Union of the future may build each year a part of its glorious structure in the image of Christ, who is ever the Guiding Spirit of the Baptist Student Union.

The J. R. Graves Society of Religious Inquiry was organized in 1875. The purpose of this society is to discuss problems that face young ministers and to enrich their lives for a greater service. The motto for this society is, "Search the Scriptures." Many members of this ministerial band serve as pastors of rural, village and town churches of West Tennessee and the states adjoining. They are making a mighty contribution to the progress of Baptists and the cause of Christ in this territory.

The Young Women's Auxiliary has a three-fold purpose: first, to develop a symmetrical Christian womanhood; second, to bind together the young women of this college for world-wide service for Christ and unite them with young women of like interests in other colleges throughout the world; third, to give instruction in the methods of mission work for Southern Baptist Convention.

The watchword: "They that are wise shall shine as the brightness of the firmament; and they that turn many to righteousness as the stars forever and ever." (Daniel 12:3.)

"Serving the Lord with gladness." There is always in the lives of college students, along with the many other activities, a need for the inspiration that can only come through the Life Service Band. It is the supreme aim of this organization to aid the Christian student in living a life of fruitful service day by day, not waiting until college life is over to live.

The Kardinal Key Klub, a booster club, was organized to sponsor any movement for the betterment of the school spirit, clean sportsmanship, and love for our Alma Mater. It is one of the most outstanding organizations on the campus.

The membership consists of sixteen students elected because of their outstanding interest in forwarding any project sponsored by the school, athletic or otherwise, one faculty advisor and the cheerleaders, who are elected by the student body.

The club has had much success this year in creating an unusually fine school spirit. Among the projects of the club this year are Homecoming, Intramural Basketball Tournament, Hello Campaign, Freshman Week and others equally significant.

Members of the Palladian Literary Society, unwilling to relinquish their literary pursuits and to surrender the ideals, "Taste, Industry, and Wisdom," for which the society was noted and which had been perpetuated since its founding by Dr. G. M. Savage, more than fifty years ago, decided to change the method of its activities to meet the needs of a changing age. The result of this decision was the organization of the Palladian Breakfast Club in October, 1936. This club is composed of a sponsor and fifteen young women maintaining high scholastic records.

The old Alpha Phi Epsilon, an honorary literary and debating fraternity, became a part of the National Tau Kappa Alpha in 1935, and the principal qualification for membership is an inter-collegiate oratorical contest or debate held each year. The aim of the fraternity is not primarily social, but intellectual. The outstanding forensic activity sponsored by Tau Kappa Alpha this year was a High School Debate Tournament in which thirty-four teams were entered from schools throughout West Tennessee and Kentucky.

Each year Union becomes better known throughout the Middle West and South as the producer of top-notch debate teams. Union's veteran team of '37-'38, composed of Hicks and Busby, was undefeated in thirty-two debates. Teams such as University of Illinois, St. Louis University, University of Chicago, Loyola University, DePaul University, Marquette University, Wayne University, Butler, DePauw, Purdue were met in these debates.

The other varsity teams were likewise successful, winning ninety-five per cent of the debates engaged in. The women's team placed second in the state tournament and won the Shurtleff College Tournament.

Union is proud of her success in forensic circles. She deserves her recognition as a leader in this section in the training of students as public speakers, orators, and debaters.

MRS. A. W. PRINCE

Mrs. Arthur Warren Prince is a musician of whom Union University is justly proud to have as Director of Music. Her artistry has been recognized not only in Tennessee but in the entire South. Mrs. Prince is a teacher of rare ability. Her students have won first honors in the State Music Contest of Federated Clubs, Chicago Musical College and Curtis Institute.

As well as being an unusual teacher and concert pianist, Mrs. Prince is an organist of note. In 1930 she held the organ scholarship with Dr. Arthur Davis, of Birmingham, England. She is a member of the Organist Guild of America, the MacDowell Music Club of Jackson, and organist of the First Baptist Church of Jackson.

As a pianist, teacher and organist, Mrs. Prince has contributed much to the musical development of Jackson and she occupies an enviable position among the artists of the South.

The Speech Department has had an unusually successful year. The organization of a strong Dramatic Club and the presentation of several plays and recitals of merit have been events of major importance on the campus this year.

The Department is under the direction of Mrs. Elizabeth Loyd. Mrs. Loyd received her first training from her mother, Rena Rutherford Breland. She received a diploma in expression from Ruth Vale, Whitworth College, Brookhaven, Mississippi, in 1922. She continued her study of dramatic art at Union University, receiving a certificate in expression in 1924. Mrs. Loyd then took post-graduate work in the Curry School of Expression, Boston, Massachusetts. She was a student of University of the Theater, New York, in 1928, The American Academy of Dramatic Art and Columbia University, 1930, and a student of Columbia University again in 1938.
